

The Framework for Social Participation in DRM: Experiences and Lessons from China

QIANG ZHANG

**SCHOOL OF SOCIAL DEVELOPMENT AND PUBLIC POLICY
BEIJING NORMAL UNIVERSITY**

Sendai Framework for Disaster Risk Reduction 2015-2030

- ▶ **Lessons learned**: There is a need for the public and private sectors and civil society organizations, as well as academia and scientific and research institutions, to work more closely together and to create opportunities for collaboration, and for businesses to integrate disaster risk into their management practices.
- ▶ **Guiding Principles**: Disaster risk reduction requires an all-of-society engagement and partnership.
